Hi!

First of all – a big thank you for thinking about doing something in order to make Hope UK more known in your community, and maybe even raise funds towards the work. Hope UK enables young people to make drug-free choices and reach their full potential. More funds mean we can do more essential drug prevention work.

Please find some useful bits and pieces enclosed. The pack will help you decide what you want to do as a church and get started with your planning. Hope UK's friendly staff team is ready to help and support you every step of the way, and hope that you will enjoy your efforts!

On the 7-9 October 2016 there will be a Hope UK weekend. Why not get one of Hope UK's educators to come along to your church during this weekend? You could also make the collection on Sunday 9 October go towards the work of Hope UK.

- **Inspiration for churches** – This magazine contains information and ideas for your church to discuss and decide what you would like to do
- **Hope UK information with Church insert**– General introduction to the charity and what we can offer.
- **Donation form and envelope** – If you arrange a collection or other event to fundraise for Hope UK, please use the 'Donate to Hope UK' form and send straight to Hope UK using the envelope.
- **Posters** – to put up on your church notice board people at your church more aware of Hope UK
- **Digital advert** – for your church newsletter, website or other relevant places
- **Generation Hope leaflet** – This describes the growing work of our Youth branch

Please get in touch with Hope UK if you want to discuss different options, order more of the forms or posters or just let us know what you are doing. The phone number is 020 7928 0848 and the e-mail address is fundraising@hopeuk.org

Once again, thank you so much for taking part in enabling young people to make drug-free choices, and we look forward to hearing from you!

Best wishes,

The Fundraising Team
Hope UK
