

Recycle and Raise!

Donate unwanted Gold, Silver, Costume Jewellery, Watches, Mobile Phones and old UK/Foreign currency

Here's a simple way to raise funds for **Hope UK** and help the environment - without costing you a penny! Please donate **any** of the above items which can be turned into cash for **Hope UK**.

Even damaged, broken and incomplete items help; so all the odd earrings and snapped chains are a great start!

Please pop your jewellery in our envelope, seal and post; or parcel up your jewellery in your own packaging and post free of charge to:

Why recycle? Recycling reduces demand for raw materials. Many parts of the world have been blighted by mining and quarrying, which destroy the natural environment and wildlife habitats and can cause environmental and health problems for local people. Recycling is one way to lessen our use of resources and help protect the environment. **Everything you give is turned into cash for us, recycled and put to good use!**

Thank you for your support

Hope UK's ambition is that children and young people grow up to fulfil their potential. Sadly, the use of alcohol, tobacco and illegal drugs results in many failing to do so. We train Voluntary Drug Educators who provide drug awareness sessions for young people and parents, enabling them to make drug free choices. Hope UK was previously called the Band of Hope and was established in 1847. Its work today holds to many of the core values whilst remaining relevant to today's young people.
