

Ideas for Fundraising

There are, of course, many ways you could raise money for Hope UK. Below are just a few—please contact us (enquiries@hopeuk.org) for more information or help.

Sponsored event

- ♦ Walk, Run, Cycle, climb
- ♦ Swim, Triathlon
- ♦ Parachute
- ♦ Slim or shave
- ♦ Go Chocolate-free
- ♦ Go alcohol-free today
- ♦ Dress up/dress down
- ♦ Car wash or bag packing

Hope UK weekend

Each year we put aside one weekend—usually in October—for Hope UK to work as one body to raise our profile by delivering drug education and/or fundraising all around the country on the same date.

If you decide to plan a sponsored event, it would be an ideal opportunity to complete it on this date.

And there's nothing to stop you arranging a fundraising event leading up to this weekend.

Please contact us to find out the date of this year's weekend, if you are interested.

Alcohol-free bar

Make up some lovely drinks and serve them to friends and family, or maybe at a church event?

Why not train a group of young people to mix the drinks in advance, and if they want to get further involved in our work, they can become members of Generation Hope.

Coffee morning

Invite some friends along for coffee and yummy cakes. Enjoy each other's company, tell your guests about your involvement with Hope UK and ask for donations towards the goodies.

Hope UK party

Try out some fun activities highlighting the need for prevention and giving a taster of Hope UK's work in a fun and relaxed atmosphere.

The pack is offered to Hope UK educators only!

Clothes swap

Get your friends to bring any unwanted clothes, put them all in a big pile and have fun rummaging around to find your favourite items!

Garage sale

Is it time for a clear out? Why not put your unwanted items out and ask for donations towards the work of Hope UK.
