

Dear Friend,

Thank you for asking for further information about becoming a Hope UK Volunteer.

As you may know, our aim is to provide children and young people with education and help in understanding the issues associated with alcohol and other drugs. Our Volunteers are very involved with the practical out-workings of this aim, receiving training and support to enable them to do this.

Obviously, each Volunteer has different things to offer, including the amount of time available, experience and so on. If you do decide to join us, it would be very helpful for us to meet you (or have a phone call with you), so that we can discuss these details further.

You will see from the enclosed information that there are a variety of ways you can get involved, please feel free to get in touch with us if you would like help understanding what each one is about.

Thank you for considering volunteering with Hope UK; I hope this information will be helpful to you. If you are interested in taking this further please fill in the recruitment form and return it to me at 50 Gold Street, Kettering, NN16 8JB

Please pass on information to anyone you know who may be interested in joining you in becoming a Hope UK Volunteer.

Looking forward to hearing from you.

Yours sincerely

Sarah Brighton

Being a Hope UK Volunteer

About Hope UK and Generation Hope

Hope UK is a National Christian Drug Education and Prevention Charity. We aim to enable young people to make drug-free choices. Generation Hope is the youth branch of Hope UK, where young people can make like-minded friends, develop skills and knowledge and work with their peers and Hope UK staff and volunteers in a variety of ways.

What is a Hope UK Volunteer?

A volunteer is someone who represents Hope UK in their local community. There are four main ways they may be involved:

- 1) As an **Educator (Sessions)** - taking informal and formal drug prevention activities, either with children, young people or adults.
- 2) As an **Educator (Detached)** – working in very informal environments (for example, a shopping centre, church fun day) doing drug prevention activities with passers-by.
- 3) As a **Generation Hope Volunteer** – developing opportunities for local young people to get involved with Generation Hope – this might involve helping at or running a club, setting up detached work for young people to be involved with, helping run residential weekends, etc.
- 4) As a **Church Speaker** – representing Hope UK to local churches, speaking at services, midweek meetings, home groups etc., talking about our work and encouraging people to support us.

(N.B You can do more than one of these - the application form asks you to indicate which one(s) you are interested in, and you will find the training course will help you learn a bit about all four, allowing you to change your mind.)

What is a drug prevention activity?

A drug prevention activity is something that helps an individual, or group, consider their attitude towards, and knowledge about, drugs. It may also help people develop relevant skills to help them manage issues relating to drugs. So, for example, you may spend an evening at a parents' group helping them learn to recognise drugs, understand what they do and think about ways they can help their children manage the 'drug issue' as they grow up. Or you may be at a community day for young people playing relevant games with them to help them develop peer pressure resistance and decision making skills.

What kinds of environments might I work in?

This can vary greatly – depending on the kind of volunteer opportunity you choose, and the kinds of groups you might prefer to work with.

What help will I get to do this?

Initially you will go through a comprehensive training programme, which will include learning about drugs, communication skills, child protection, learning styles, health

and safety, formal and informal activities, using training aids and many other areas. This training is delivered at four training weekends (minimum of two for Church Speakers) with activities and worksheets to complete between the weekends. All the training is accredited by the Open College Network (OCN), and Hope UK is a recognised training centre with OCN. This means that as well as learning to be an educator you will gain credits of learning. The weekends will also include practical opportunities to try out what you are learning.

Once you have finished your initial training you will get support from the office and/or other local educators. You will have the chance to attend a training conference once a year where you will get to meet with volunteers and Generation Hope members from all over the UK and update your training. You will also be given suitable training tools to use, and be regularly updated on drug and other issues.

Who can be a volunteer?

Essential criteria include:

- Christian – Hope UK is a Christian charity and you will become a local representative for the charity. You will also participate in prayer and worship at training weekends, so you will have to have a personal, active Christian faith.
- Drug Free – As we are working to enable young people make drug free choices, we think it only fair that we stand alongside people who may choose to stop using drugs or not start in the first place. We also don't want to give mixed messages or complicate things, so we ask all volunteers and staff to be drug free – this includes alcohol and tobacco.
- Suitable to work with children and young people – As part of the application process we will ask you to complete a self-disclosure form where you tell us about issues relating to previous convictions and issues relating to children. We also take two references, interview you and do an enhanced (full) criminal record check – all to make sure that you are suitable to work with children. (Mostly, this will not be relevant for Church Speakers)
- Committed – You would need to have time available to volunteer with Hope UK. For each type of volunteer, minimum requirements are:
 - **Educator (Sessions)** – One session a month, which would include preparation, delivery and follow up/evaluation. (You may find that you have busy times and quiet times, but it should average at 12/year)
 - **Educator (Detached)** – One detached activity a month (this tends to be fairly regular work once you get started)
 - **Generation Hope Volunteer** – will vary, but at least one event/activity a month (depending on what you and the Generation Hope team develop)

- **Church Speaker** – One talk a month, but like the Educator (Sessions) this will vary depending on demand.

For all volunteers, this will include networking, planning, preparation, delivering and evaluating drug prevention activities. It could also include other activities supporting Hope UK – for example, catering at training weekends, exhibitions, acting as a trustee. If you are a non-UK citizen you will need to have a status which means you will be in the UK for at least 2 years after finishing training.

- Good time management skills
- Willingness to both learn and use new ideas
- Over 18 years old

Desirable criteria include:

- Experience of working with relevant age groups, especially young people
- Experience in formal and informal communication
- Part of a good local network, or having good local knowledge
- Support from your church – especially the leadership

How much does it cost?

It will cost Hope UK about £1200 to train you fully, and then another £450 a year to support you and keep you updated. We do not charge you for this training as you will be representing Hope UK where you live once you have completed the basic training. However, if you fail to use the training we will invoice you for the full cost of the training and any support/resources you have received.

We ask Educators to attend the annual Training conference at least once every two years. We do fundraise for this event, but we ask people to pay for themselves to attend if possible. (If you can't pay we have a waiting list for free places as funding becomes available)

LEGALESE – ATTACHED NOTES

The Disclosure of any offence may not prohibit employment. Please refer to our Rehabilitation of Offenders Policy.

As this post involves working contact with children, young people and/or vulnerable adults all applicants who are offered an appointment will be asked to submit to a criminal records check before the position can be confirmed.

You will be asked to apply for an Enhanced Disclosure through the Disclosure and Barring Service (DBS) (England & Wales) or through Access NI if you are in Northern Ireland or through Disclosure Scotland if you live in Scotland.

As the position is exempted under the Rehabilitation of Offenders Act this check will reveal details of cautions, reprimands or final warnings, as well as formal convictions not subject to DBS filtering rules. Because of the nature of the work for which you are applying, this position is exempt from the provision of section 4(ii) of the Rehabilitation of Offenders Act 1974 (Exemptions Orders as applicable within the UK), and you are not entitled to withhold information about convictions which for other purposes are 'spent' under the provisions of the Act with the exception of those that are subject to the DBS filtering rules.

In the event of appointment, any failure to disclose such convictions could result in the withdrawal of approval to work with children or vulnerable adults within the church/organisation.

This process is subject to a strict code to ensure confidentiality, fair practice and security of any information disclosed.

The DBS Service Code of Practice and our own procedures are available on request for you to read. It is stressed that a criminal record will not necessarily be a bar to appointment, only if the nature of any matters revealed could be considered to place children or vulnerable adults at risk.

As a place of worship/organisation we agree to abide by the Code of Practice on the use of personal data in employee/employer relationships under the General Data Protection Regulations effective from May 25th 2018, as well as the expectations of the DBS.

Notes - Children and Young People

Under the Protection of Freedoms Act 2012 it is an offence for any organisation to offer employment to anyone who has been convicted of certain specific offences, or included on either of the two barred lists held by the Disclosure and Barring Service where the post falls within the scope of regulated activity (as defined by the DBS, under the Safeguarding Vulnerable Groups Act 2006 and the Protection of Freedoms Act 2012). An enhanced with barred list check must be completed. Those working with children and / or adults at risk in posts which fall outside the scope of regulated activity may still be eligible for an enhanced disclosure WITHOUT a barred list check.

The DBS offers both an enhanced check and for those engaged in regulated activity an enhanced with a barred list check. For applicants in Scotland and Northern Ireland, similar provisions apply.
